SUMMARY

A motivated and detail-oriented Bachelor of Computer Science (Software Development) with Honours student seeking an internship opportunity to apply strong foundation in software development, programming, and system design within a dynamic professional environment. Equipped with analytical problem-solving abilities, technical skills, and a strong passion for developing innovative software solutions. Eager to contribute to organizational objectives while enhancing practical experience, technical expertise, and professional growth through continuous learning and collaboration.

EDUCATION

Bachelor of Computer Science (Software Development) with Honours	
Universiti Teknikal Malaysia Melaka (UTeM)	2025 – Present
• Current CGPA: 3.81	
Diploma in Computer Science	
Universiti Teknikal Malaysia Melaka (UTeM)	2022 – 2025
• CGPA: 3.23	
Sijil Pelajaran Malaysia (SPM)	
SMK Ibrahim	2021

WORK EXPERIENCE

Software Developer Intern	
Digital Hub, Universiti Teknikal Malaysia Melaka (UTeM), Durian Tunggal, Melaka	July 2024 – September 2024
- Assisted in troubleshooting and resolving software issues by identifying, analysing, and fixing critical bugs within internal university systems. - Conducted functional testing and validation of newly developed features to ensure system reliability, performance, and user experience. - Collaborated with development teams to review code improvements, verify bug fixes, and support system deployment activities. - Maintained technical documentation and provided support in enhancing system functionality and overall performance.	

ACHIEVEMENTS & INVOLVEMENT

- FICTS Buddies: Basic Scratch 3.0 – Volunteer
- Service Learning Malaysia (SULAM) – Participant
- Sukan Antara Fakulti (SAF) 2025 – Crew Member
